

# ONE CAN. ONE PERSON.

Can make a difference in many lives.

In an environment of budget cuts and fee increases, students are facing new challenges that affect their performance as students and derail their academic and career goals. We

are committed to promoting the retention and welfare of every student at UCSB by developing programs and services such as the **AS Food Bank** that directly address students need.

Please help us with our cause and donate non-perishable food, toiletries and grocery bags to the **AS Food Bank** to the following Donation Centers (look for the green bins):

1. A.S. Bike Shop (Parking Lot 29)
2. A.S. Main Office  
(University Center 1523)
3. A.S. Legal Resource Center  
(6550 Pardall Road, Suite B)
4. A.S. Annex (Building 434)
5. A.S. Storke Communications Tower Complex
6. Davidson Library Main Lobby
7. EOP Office  
(2nd floor of the Student Resource Building)
8. Gevirtz School of Education Building
9. Student Resource Building Front Lobby

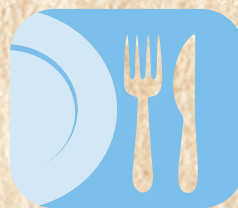

Additional donation bins may be seen throughout campus for the rest of the year.
